

## SAFETY PRESENTATION

To expedite your entry to Wet'n'Wild, Gold Coast on your upcoming visit you need to present this safety talk to all your students before arrival.

**PLEASE CONFIRM WITH WET'N'WILD GOLD COAST ENTRY STAFF ON THE DAY OF YOUR VISIT THAT THIS HAS BEEN COMPLETED SO YOUR GROUP CAN GAIN ENTRY TO ENJOY THE PARK.**

“Wet'n'Wild Gold Coast offers a splashtacular day of fun to guests of all ages. At Wet'n'Wild Gold Coast, safety is our priority so please listen carefully to our rules and regulations. Wet'n'Wild Gold Coast supports the Royal Life Saving Keep Watch Rules of any child 0-5 must have an adult within arms reach at all times. Any child 6 - 10 must have an adult in the pool with an unobstructed line of sight to the child. The Keep Watch Rules apply to all pools at Wet'n'Wild Gold Coast. We insist that any weak or non swimmers do not enter the Wave Pool without constant adult supervision.

As a condition of entry you must be aware that our Surf Shop is out of bounds, and there will be no pass outs given to leave the park. We strongly suggest to secure your items. Coin operated Locker hire is available next to the main change rooms for a small fee.

Always remember to apply and re-apply sunscreen, and keep your water intake high throughout the day. For your own safety, and that of the other guests, there is to be no RUNNING in the park, or DIVING into any of the pools. Obeying to these rules helps us ensure all our guests enjoy their visit to Wet'n'Wild Gold Coast.

**WAVE POOL** - The Wave Pool is a deep-water pool. Entry is always via the entry/exit gateway at the shallow end of the pool. The waves come on for ten minutes, and then turn off for ten minutes - this cycle continues all day. Please pay attention to the Lifeguards on the pool and follow their instructions. If you need assistance, place your arm straight up in the air and a Lifeguard will assist you. Please remain five meters from the back wall at all times.

Any weak or non-swimmers should remain in the shallow end, no deeper than chest height. You are not permitted to jump or dive into this pool.

**MAMMOTH FALLS** - Please ensure you follow the staff member's instructions. When riding the River slides, you will be asked to remain in the tube at all times. Upon entry into the splashdown pool, you must remain in the tube until the staff member at the bottom asks you to exit the tube. Do not at any time jump out of the tube.

**CALYPSO BEACH** - Entry for Calypso must be from the entry/exit points, which are located on both sides of the River. The River is not deep, reaching 80cm for the entire length of the River. Tubes are provided in the River, and once in the River you must remain in the tube until you exit. For the safety of your self and the other guests around you, there is to be no

boisterous behaviour, throwing or stacking of the tubes will not be accepted. Calypso Beach is a compulsory relaxation zone. Do not jump or dive into this ride.

**WHIRLPOOL SPAS** - Entrance for the Whirlpool is via the entry/exit points provided on the sides of the pool. Ensure that you walk to the spas, and use the steps provided to enter the spas. Once in the spas, remain seated, with your back against the wall and ensure you pay attention to the lifeguard and their instructions at all times.

**Wet'n'Wild JUNIOR** - This area is designed for children 10 years and under only. Designed especially for children, Wet'n'Wild Junior features kid-friendly water slides including miniature versions of our larger thrill slides like Tornado and the Aqua Racers. Wet'n'Wild Junior will also include our multilevel interactive play structure, with 8 slides and a giant tipping bucket. Please remember that there is to be no RUNNING, and no DIVING into any of the pools. There is to be no climbing up or on the rope bridges, slides and the fort or features in the pool.

**RIDES IN GENERAL** - All slides have a minimum height requirement that must be adhered to. Safety signage is available at the bottom and top of every ride in the park; please ensure to read these safety instructions and procedures and adhere to the correct riding procedures at all times.

The Wet'n'Wild Junior area is suitable for guests ten years and under ONLY. This is strictly enforced for the enjoyment and safety of all guests. Attractions in the H2O Extreme Zone have very specific height requirements and weight restrictions that apply to these rides, please ensure you read all signage carefully before riding.

When you enter the park, one of our friendly staff members will give you information on our ride policies and procedures. This will be regarded as your first and final warning for the day. If our safety procedures are not followed, you will be asked to leave the ride. If you have any further queries, please ask any of our friendly staff for assistance.

We also ask that you place your rubbish in bins provided.

ALWAYS REMEMBER SAFETY IS OUR NUMBER ONE PRIORITY. OUR FRIENDLY STAFF ARE HERE TO ENSURE YOU HAVE AN ENJOYABLE AND SAFE DAY. PLEASE ENSURE TO FOLLOW THEIR SAFETY INSTRUCTIONS!

Have a splashtacular day at Wet'n'Wild Gold Coast."
