SPONSORS

You can enjoy Wet'n'Wild fun in the sun – worry free – by reapplying your Surf Life Saving sunscreen regularly - ideally every hour, especially after swimming and drying off with a towel. You'll find a great range of Surf Life Saving sunscreen at the Surf Shop map ref F2.

SUN SAFETY

THE SAFETY AND SECURITY OF BELONGINGS IS YOUR RESPONSIBILITY

ATTENTION PARENTS & GUARDIANS

Wet'n'Wild Gold Coast supports the Royal Life Saving Society's 'Keep Watch' program.

Children 0-5 years old must be within arms reach at all times. If they are in the water, you must be too.

For 6-10 year olds, you must keep them in continuous view and be prepared to enter the water with them. We do however recommend that you accompany your children in the water at all times.

For the 11-14 year olds, you must ensure you check on their whereabouts on a regular basis.

Our staff do a fantastic job but they are not baby-sitters. Supervising your children is your responsibility so make sure you keep watch at all times.

CABANA HIRE

If you enjoy first class then hang out at Wet'n'Wild in your own private cabana. Ideal for families or small groups. It's your own piece of cabana. To book on the day, enquire at the Clock Tower located at the front of the park or pre-book by calling 13 33 86.

SPLASH CASH

Splash Cash is the most convenient n'clever way to carry your cash...without actually carrying your cash! You simply credit a waterproof wristband with whatever amount you choose. You can slide n'swim while wearing your wristband and then come time to buy lunch or a souvenir you just swipe your wristband to pay. The money is automatically deducted from the wristband just like your bank account.
